September 2025

We exist to proclaim and promote the gospel of Jesus Christ for the salvation and sanctification of all people.

September 2025

September is, in some ways, a second new year. September marks the beginning of a new school year, a new sports season, a new fiscal year for some businesses, and the start of a new cycle for the church. Yes, we often approach September as the start of the new season of ministry events and activities. It is the start-up season after the summer.

This year is no different – it is the beginning of a new cycle of Home Teams, Men's and Women's ministries, Hands for Christ, and even youth group. This year, however, we add something to that new cycle. This year, we find ourselves with the start of a new cycle of staff members.

We have already invited Susan Bosman onto our staff as a part time youth and children's director, and now we welcome Annie Fazio as our latest addition to the staff. Annie will begin her position of Administrative and Facilities Director this month. When you walk into the office on September 3rd, you will see the smiling face of Annie. It might be a bit strange at first because you have been seeing the smiling face of Brenda for the past six years, but I assure you that Annie's smile will be every bit as welcoming and kind as Brenda's. We are looking forward to having her in the office and becoming a vital part of our staff team.

Another new beginning this month is the adjusted hours of operation for the church office. We will now be closing the office every Tuesday, so please keep that in mind as you plan your trips to the church to get something done. You may still see a car in the parking lot, as I drop in from time to time, or as our custodian comes to clean the building. But please know that neither myself, nor Cindy, our custodian, will open the office for business as usual. Cindy will not be the "Tuesday secretary", nor will I. So, anything that you may need done, please remember that Tuesday is a non-operational day for the office.

You may wonder why we have decided to close on Tuesdays. It is simply because it has become clear over the past number of years that we do not need to be open five days of the week as we do not receive very much traffic coming through the office, and Tuesday was the slowest day of the week. We felt that opening five days of the week may not be the best use of our resources at this point in time, though that may certainly change in the future.

So, come on by the office and welcome both Susan and Annie to the team! (Just don't come on Tuesday!) May God grant us His grace as we start the new cycle for the year.

Sincerely His,
Pastor Michael
